

JESSICA GATES

Please join me in congratulating my career coaching client, [Jessica Gates](#), new graduate of [#georgewashingtonuniversity](#) and newest member of the Massachusetts Service Alliance and Boston Cares!

I had the great pleasure of working with Jessica as a participant in The Inspire Careers Student Professional Launch Program and well...she nailed it!!!! She has accepted the position and will begin orientation later this summer.

Jessica and I have shared her journey with you over the past several months about her work to land a job she loved to coincide with graduation, so now, the celebration begins and her journey continues along the path of a rising professional, serving others, and making a difference in the world.

What Jessica did that led her to her dream job:

Invested in herself to make time to learn how to launch a successful career campaign

Learned how to craft a results-focused and personally-branded resume and LinkedIn profile

Engaged on LinkedIn, activated her network, and grew it

Clarified her job and company targets and applied EVERY week

Set short-term and long-term goals for herself

Met with me for coaching sessions, leaned into being uncomfortable, and enjoyed the feedback and successes she achieved for her efforts

This is what joy, confidence, and success look like 🍷 🍷

Congratulations Jessica---the sky is the limit for all you desire!
