

CEO, INSPIRE CAREERS LLC

Cathy Lanzalaco is an award-winning and nationally certified résumé writer, career coach, LinkedIn expert, member of the Forbes Coaches Council, and CEO of Inspire Careers LLC, located in Western New York.

She began her professional career as a registered nurse and worked for 15 years at Sisters Hospital. In the late 1990s, she left the hospital to work as a medical case manager at Tops Markets. Accepting an opportunity to work in human resources she returned to school for an MBA and received her SPHR and SHRM-SCP and worked in HR leadership for over a decade. She worked in that capacity until 2016 when the business closed.

Helping 600 people transition into new careers led her to the next step of her career. In 2017 she opened Write-Résumé-For-the-Job and in 2018 purchased Inspire Careers and now serves executives and career-minded professionals in WNY and across the country under the Inspire Careers banner.

With 15+ years of HR experience, Cathy gives her clients the perspective from “the other side of the desk” to help them design career marketing tools and job search strategies to land jobs and create careers they love in less time than going it alone.

Inspired by the lack of preparation of new college graduates entering the job market, she created the only new grad success program in the country, The Inspire Careers Student Professional Launch Program™.

An active member of Career Thought Leaders, Career Directors International, and the National Résumé Writers' Association, and winner of its ROAR award, (Recognizing Outstanding Achievements in Résumés), a member of the Professional Association of Resume Writers' Certification Committee, and the In-Transition Chair for the Buffalo Niagara Human Resources Association Board of Directors. She is also creator and host of the Inspire Careers Spotlight video and audio podcast series.

Frequently requested as a podcast guest, group facilitator, and keynote speaker, recent engagements include the National Résumé Writers' Association, Buffalo Niagara Human Resources Association, The Establishment, and Niagara University Hospitality & Tourism Association. Her coaching style is focused on personal empowerment and leveraging an abundance mentality to manifest personal and professional success.
